Digital data

Although Gerriets has taken every reasonable measure to keep the information in the digital data as well as the digital data themselves accurate and error-free, Gerriets does not guarantee that the digital data and the information contained therein is error-free and meets your expectations, and that the use of the digital data is possible uninterrupted and error-free.

Furthermore, Gerriets does not guarantee that any possible errors are corrected. You charge and use the digital data at your own risk, and Gerriets may in no event be liable for any damages whatsoever, in particular for damages from loss of profit, business interruption, loss of business information or data or from any other financial loss resulting from the use of the digital data or the inability to use these digital data.

A legally binding assurance of certain characteristics or suitability for a particular application cannot be derived. Please take our advice.

Gerriets does not guarantee that the digital data and the data carrier are free from viruses. It is your responsibility to check the digital data for the presence of such computer viruses by means of appropriate means, and Gerriets expressly recommends to do so using current virus programs. Gerriets assumes no responsibility whatsoever for losses of any kind caused by the presence of computer viruses and cannot be held responsible for such losses.

Gerriets excludes any further warranty regarding the digital data and the associated documentation.

The aforementioned exclusions do not apply to damages caused by gross negligence or intent on the part of Gerriets. Likewise, claims which are based on indispensable statutory provisions on product liability shall remain unaffected.
